## **Supply List for 2023-2024**

### **Incoming 5th Graders**

In order to assist you in making your school supply purchases, we have developed a list of supplies essential for survival in fifth grade. Since we value organization as a critical aspect in ensuring success, we use a uniform, color-coded system, for folders and notebooks.

- \* Math - BLUE - composition notebook & blue pocket folder
- \* Social Studies - PURPLE composition notebook & purple pocket folder
- \* Science - GREEN - composition notebook & green pocket folder
- \* Reading - YELLOW - composition notebook & yellow pocket folder
- \* Writing - RED - composition notebook & red pocket folder
- \* Spanish – folder and notebook (should be the ones you used last year)

~ If you can find colored composition notebooks, that would be great, but black will do just fine. Also, do not worry if you have trouble finding certain colored folders, we will provide them as needed.

In addition, each student needs the following:
